Gov Trek Campaign Simulation Competition

Future leaders of California, let your voice be heard! Your challenge is to create and deliver a political campaign package designed to make a positive change in the community, your state, or your country. Participants will be assigned to teams of up to seven members, each of whom may request what role they prefer to play in the political campaign.

Campaign Simulation Roles

Candidate (1)
The candidate gives direction on the campaign’s values, advises on campaign messaging and all other aspects of the campaign, and serves as the face of the campaign. Candidate delivers a campaign speech.

Campaign Manager (2)
The campaign manager oversees all aspects of the campaign, including communications and voter outreach. She works with the candidate and communications director to develop the campaign message and manages the candidate’s precious time.

Field and Volunteer Manager (2)
The field and volunteer manager identifies key voter audiences, develops an outreach plan to deliver the campaign message, and coordinates the volunteers to deliver the message.

Communications Director & Speechwriter (2)
The communications director & speechwriter elevates the campaign message in the media and social media, develops campaign advertisements, and writes the candidate’s remarks and voter outreach scripts.

It is critical that all members of the campaign team work closely together to ensure their efforts are coordinated, efficient, and that everyone always remains on message. Time is the most important and scarce resource in any political campaign.

Campaign videos should include:

Record a compelling stump speech delivered by your candidate (2-3 minutes) The video must show the contestant’s torso and face. It is most important that the contestant can be clearly seen and heard. We encourage you to film in a setting that is creative and/or professional in appearance and reinforces the core message of your campaign.

2. **Voter outreach plan.** Effective **voter outreach** strategies win elections! Gain supporters and get them to **vote!** Create your voter outreach plan in Word, Google, or Canva document format. You can record an image of the document with a voice over explaining your voter outreach plan. It must include at least the following elements:

   b. Volunteer recruitment plan
   c. Neighborhood canvassing maps and district map
   d. Messaging
   e. Outreach strategies and methods used
   f. Timeline for implementation leading up to Election Day (1 year)

3. **Political candidate flier and campaign ad.** Your submission must include two elements: a political candidate flier and a campaign ad (The campaign ad can be a social media graphic.) Both should include your core campaign message and priorities as well as a call to action for your audience. This is a great opportunity to use a punchy campaign slogan. You may use design tools such as Canva to create your digital collateral. Content must be original. You must have rights to any images, which must be original, available in the public domain, or purchased.
