Basis for Public Policy Priorities

The AAUW California Public Policy program supports AAUW’s mission to advance equity for women and girls through advocacy, education and research.

AAUW California’s Public Policy Priorities are consistent with national AAUW Public Policy Principles and are updated every two years with input from membership.

Legislative activism has a long history in AAUW. Members first lobbied for women’s suffrage in 1892 and have continued to be responsive to the critical issues of the times.
