

AAUW California Tech Trek Vaccination Policy

1. AAUW California Tech Trek will be in compliance with all federal, state, local, and campus-specific vaccination guidance and regulations for in-person events.
2. All in-person attendees must either be fully vaccinated with Mumps, Measles, and Rubella (MMR) vaccines that are approved and recommended by the CDC or submit a doctor-authorized medical exemption per Appendix A no later than two weeks prior to camp start date. Covid vaccinations are also required but selected participants may affirmatively decline in writing via the Tech Trek online camp registration system no later than two weeks before camp.
 - a. Individuals are considered vaccinated for MMR according to CDC guidelines after having received 2 doses of an approved MMR vaccine at least 28 days apart.
 - b. Unvaccinated individuals aged 12 and above are considered vaccinated for Covid 19 according to [CDC guidelines](#) (1) two weeks after receiving the second dose in a two-dose 2023-2024 COVID-19 Novavax vaccine series or (2) two weeks after receiving a single dose 2023-2024 COVID-19 Moderna or Pfizer bivalent vaccine.
 - c. Individuals previously vaccinated with any pre-2023 series vaccines should receive one dose of the 2023-2024 version of Pfizer, Novavax, or Moderna vaccines to be current or up to date..
3. Evidence of immunization or medical exemption/waiver must be submitted via the CampDoc online camp registration system following camper selection, no later than two weeks prior to camp start date. It is strongly recommended that affirmative declination be submitted at the same time.
4. Parents will be required to complete a waiver releasing AAUW from all liability associated with COVID no later than two weeks prior to camp start date. The waiver will be provided for parent signature during the online CampDoc registration process.
5. Masking may be required indoors by all attendees and staff except during meals or when properly socially distanced.
6. Social distancing will comply with current campus, city, county and state requirements.
7. If Covid symptoms develop at any time among campers or staff, rapid antigen testing will be done. If the camper or minor staff member tests positive, parents will be contacted for pick up as soon as possible. The affected individual will be isolated from the rest of the camp while waiting for parents to arrive. Adult staff members who test positive will be required to leave camp.

APPENDIX A

AMERICAN ASSOCIATION OF UNIVERSITY WOMEN TECH TREK MEDICAL EXEMPTION AND/OR DISABILITY EXCEPTION REQUEST FORM Exception to Mumps, Measles, and Rubella (MMR) and/or SARS-CoV-2 (COVID-19) Vaccination Requirement

CAMPER OR VOLUNTEER NAME	CAMPUS
VOLUNTEER ROLE (IF APPLICABLE)	PARENT NAME (IF MINOR)
PHONE NUMBER	PHONE NUMBER
EMAIL	EMAIL

This form should be used by American Association of University Women California (AAUW California) Tech Trek campers or volunteer staff to request a Medical Exemption and/or Disability Exception to the Mumps, Measles, and Rubella (MMR) and COVID-19 Primary Series vaccination requirements per AAUW California and CDC guidelines. This form should be used ONLY if requesting an exception for MMR alone or with Covid 19.

Those who are otherwise permitted by AAUW California policy and/or applicable public health directives to decline COVID-19 vaccinations should instead complete the Affirmative Declination Statement when registering.

Fill out Part A to request a Medical Exemption due to Contraindication or Precaution. Fill out Part B to request an Exception based on Disability. More than one section may be completed if applicable. Do not identify any diagnosis, disability, or other medical information. That information is not required to process your request.

Your request must be supported by a health care provider's certification, signed by a physician, nurse practitioner, or other licensed medical professional practicing under the license of a physician.

Part A: Request for Medical Exemption Due to Contraindication or Precaution

- I am requesting an Exception to the MMR and Covid 19 vaccination requirement based on Medical Exemption. The Contraindications or Precautions to MMR vaccination (recognized by the U.S. Centers for Disease Control and Prevention, the California Department of Public Health, or in the case of internationally administered vaccines, the World Health Organization) apply to me with respect to all available MMR Vaccines.

Requirement

My request is supported by the attached certification from my health care provider. The certification must be signed by a physician, nurse practitioner, or other licensed medical professional practicing under the license of a physician.

Part B: Request for Exception Based on Disability

- I have a Disability and am requesting an Exception to the MMR and COVID-19 Primary Series vaccination requirement as a Disability accommodation. Health care workers subject to the CDPH order are not eligible for this Exception. My request is supported by the attached certification from my health care provider.

Please provide any additional information that you think may be helpful in processing your request. ***Do not identify your diagnosis, disability, or other medical information.***

While my request is pending and if it is approved, I understand that I or my child must comply with Tech Trek's Non-Pharmaceutical Intervention requirements (e.g., face coverings, regular asymptomatic testing) for individuals who are not up to date on MMR or COVID-19 vaccination as a condition of physical presence at any Tech Trek-sponsored location. I also understand that I or my child must comply with any additional Non-Pharmaceutical Interventions applicable to my/her position, as required by AAUW California and the campus.

I verify the truth and accuracy of the statements in this request form.
