

# WOMEN'S MARCHES - CALIFORNIA

## SATURDAY, JANUARY 21<sup>ST</sup>

AAUW California will be participating in the national movement to assert that “Women’s rights are human rights”.

In coordination with the [national event](#) happening in Washington DC, California grassroots organizers have created “sister” marches in several cities across the state. We would like AAUW members to participate as a visible group. Therefore, we ask that area members

march together, and wear any attire bearing the current AAUW logo. T-shirts will also be available to order.

### COORDINATION

The following California cities have coordinated “sister marches” with the national event:

#### [Bay Area](#)

- San Francisco
- Oakland
- San Jose

#### [Los Angeles](#)

-  [San Diego](#)
- [Sacramento](#)

Local branches should coordinate with each other to provide a strong AAUW presence at each California march - please refer to the [state directory](#). Membership VP’s and committees should have [brochures](#) and other membership information to distribute. Be sure that all signage, banners, and other AAUW materials are bearing the current logo.

### TRANSPORTATION

Branches participating in each march should specify a meet-up point so we can march as a visible unit. Public transportation is strongly advised, as parking near the march/rally will be limited.

Chartered coaches through Rally Bus have already been reserved by local march organizers to bring participants to the following cities. Click the city you’re coming from to see the designated pick-up/drop-off points.

-  [Sacramento](#)
-  [San Francisco](#)
-  [San Diego](#)
-  [Oakland](#)
