

WOMEN'S MARCH - SACRAMENTO

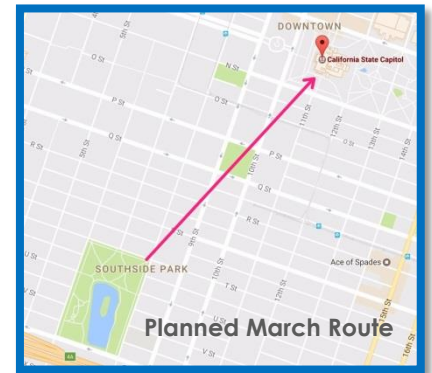

For details presented by the event organizers, please refer to the [Sacramento March website](#). We will update each area march as official information is provided.

VISIBILITY

We would like AAUW members to participate as a visible group. Please wear any attire bearing the current AAUW logo. T-shirts are available to order through [Vistaprint](#).

- We will need 4-6 people to commit to carrying the parade banner.
- We have other banners we can carry as well.
- Remember that AAUW is non-partisan when creating your own signs

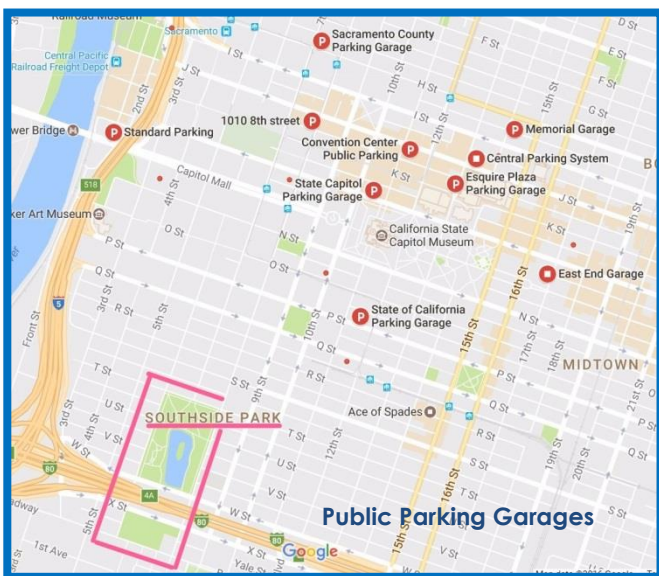

MEETING POINT

The march begins at 10:00 am at **Southside Park** and ends at the Capitol. The companion rally is scheduled to last until 6:00 pm.

We will meet at **The Spaceship** playground sculpture at **9:15 am**. The sculpture is near the playground entrance on 6th Ave between V St and Uptown Alley.

TRANSPORTATION

Public transportation is strongly advised, as parking near the march and rally will be limited. Carpooling is also encouraged.

Parking will be limited. Street parking is metered on Saturdays until 8:00 pm. Parking garages are probably more cost effective, but plan to walk some distance.

For those coming from outside Sacramento, chartered coaches through [Rally Bus](#) have already been reserved by the march's organizers. Click on your city to see the pick-up and drop-off points.

For any other questions, contact Kim at the AAUW California office
