THE LAF IMPACT – TESTIMONY FROM NATHALIE GOSSET, THE 2016 LAF LITIGANT

Nathalie Gosset, BSEE, MS, MBA is the Legal Advocacy Fund 2016 Litigant. She was selected unanimously by the LAF Committee because the facts in her case, if true, are egregious and truly violate Title VII. She will share with the audience the impact LAF and AAUW have brought to her life.

Nathalie’s professional life represents a remarkable professional trajectory in the male-dominated industry of Science, Technology, Engineering, and Math. (STEM). She has worked all her life on the cutting edge of discoveries. This exemplary track record in a male-dominated field, has heightened the importance of LAF moral support to Nathalie in the case Gosset v Latch, Cooper, Alfred E. Mann Institute for Biomedical Engineering, University of Southern California. Gosset is currently in arbitration hearings, claiming a hostile work environment and wrongful termination as well as sexual discrimination, harassment, and retaliation under Title VII of the Civil Rights Act of 1964 and the California Fair Employment and Housing Act.
