Donna Mertens welcomed Donna Lily, Tina Byrne, and Kathleen Doty who will join us for the afternoon

Donna Mertens asked that we accept the consent agenda with the revision of the committee member list amended to remove Esperanza from the Program Committee.

Donna brought up the devastation of the fires in the North. Several members have lost their homes. Sandi Gabe was asked to include links to resources for members who want to help with recovery in the next B2B (Board to Board) AAUW-CA newsletter.

COMMITTEE REPORTS

President Elects

They raised concern about the 2020 convention. Since National is postponing their convention by one year until 2020, it will coincide with the next AAUW-CA Convention. This may create attendance and resource problems. Should we even have a convention?

Cathy Foxhoven and Jane Niemeier still need a meetings planner.

Cathy asked for help. She needs descriptions from the committee chairs for marketing purposes that are more enticing and accurate.

AAUW Fund

There were 105 attendees at the Southern luncheons. There will be 2 Northern luncheons next weekend.

Branch Support

Ainsley had an interrupted summer/fall. There were few events to attend as branch support.

Ainsley reminded everyone to submit vouchers for their volunteer work to truly track the committee work the cost of the committee work that we do and and to document the support services that AAUW-CA provides.

Communications

Sandi Gabe reviewed the goal of the Communications Committee to elevate the usefulness of our communications.

A Communications Team Liaison (CTL) has been assigned to each of the Board committees to help them with their communications needs.

CTLs have also been tasked with preparing profiles of each committee that will define their tasks and their corresponding communications needs.

Communications will be working on setting up documentation for the BOR (Branch Officer Report).

The meeting recessed for a short break.

Finance

Patricia Ferrer spoke to the Wonder Woman Event. She brought examples of the name tags. She spoke about the need for additional help at the event. It was well worth the \$200.00. Sandi Gabe asked if contacts from the event need to be added to the Perspective list.

The CFO briefed the board regarding the changes to our investment. At present we require any investment to be socially responsible. These investments are returning under market returns and also have internal management fees that are higher than those that are not designated socially responsible. She reminded the board that it is our job to be good stewards of our branch members money. In her opinion, we should give our investment manager the ability to purchase investment instruments that would return the best return on investment with low to moderate risk of loss.

At the SPF (Special Projects Fund) meeting yesterday (Friday, 10/20/17), there was a review of the Tobi Johnson bequest. President Donna Mertens made an executive decision to put a voucher in for the balance of the bequest sitting in SPF. The amount is over \$10,000.00

Sandi Gabe asked if we could renegotiate the office lease. We renegotiated a five (5) year lease last year.

SPF (Special Projects Funds) stores their documents in our storage unit. They will begin to pay for a portion of the storage rent.

SPF will also be paying for a portion of the D&O insurance.

Leadership Development

Encourage branch members to view the job training videos on the state website.

We need someone to assure that our new leaders are adequately trained for their positions.

Membership

There was a hearty discussion about the state membership for Give a Grad a Gift. There is no current procedure to assure that these individuals are added to the state membership.

Send branches ADA (Americans with Disabilities Act) information to assure their meeting facilities comply with mandated requirements.

College/University Partners

"Matching" schools to branches. Perhaps we could use the term "connect" Create a list of branches that are working with college and universities.

The meeting recessed at noon for lunch.

The meeting resumed at 1:10 P.M.

Membership answered additional questions.

There were housekeeping changes.

Nominations and Election

Donna Lily has 1 application in hand and 1 email agreement to run. Sharon Westafer has termed out. Deanna Arthur would have to run as a Director Candidate. You cannot serve on the executive board for more than 4 years consecutively. Sandi Gabe, Stormy Miller and Ainsley Nies are available to run for reelection.

4 Directors and a Secretary need to be elected in April. (The correct information is 5 Directors and a Secretary need to be elected)

Program

Jane would like all of the directors to participate in the AAUW California Book Club.

Jane asked the directors to encourage the Branches to participate in the Branch Bingo game.

Public Policy

Ask Alicia Hetman if she would be part of the committee that will reexamine the Title IX bill that Governor Brown vetoed.

There are press releases available on the topics that we support for publication in branch newsletters. Sandi Gabe asked Nancy to provide easy to read summaries of AAUW supported bills for the website.

SPOC (State Projects Oversight Committee)

SPOC is looking for a new name.

They are trying to meet via Skype.

They are updating the Tech Trek Policy and Procedures but will not be done by the requested time.

Diane Owens will be gone the month of November.

The camps will not be allowed to run in the red. There will be 6 camps that will be charging more than the \$850 fee per camper in the upcoming year.

The transition date for the Tech Trek funds is November 1, 2017.

Kathleen Doty joined the meeting at 1:30P.M.

Donna Mertens welcomed Kathleen to the meeting at 1:55 after the completion of the SPOC report.

The meeting moved to Convention Planning.

MOTION #8 – Jane Niemeier moved the adoption of the Proposed 2018 Convention Budget on behalf or the 2018 Convention Committee. PASSED unanimously.

Discussion followed on the motion.

Billie Jean King has been asked to be the Keynote Speaker.

President's Brunch has been changed to Leadership Brunch.

There will be a Grassroots Advocacy event Friday before the evening dinner.

The Annual Meeting will be held Friday night and it is a meal function.

There was a discussion regarding the attendance of Kim Church's and Julia Brown.

Are we paying mileage to the presenters? This will be brought up for a vote at the next meeting.

There was a discussion of how to cover the registration fees charged by Eventbrite. There was no decision reached and will be brought up in January.

There was a discussion of the 12 proposals that have been received for workshop sessions at Convention. The proposals were all favorably received.

The meeting recessed at 2:44 P.M.

The meeting resumed at 3:00 P.M.

We will have vendors for Saturday only. There will be commercial and branch sales tables.

Connection Corner was discussed. We will change it and call it a Branch Brag Corner. Annsley will write a description and instructions for branches to participate.

The meeting recessed at 3:25 PM. We will resume tomorrow at 9:00 A.M. after breakfast.

The meeting was reconvened by Donna Mertens at 9:01 A.M.

The discussion moved to the strategic plan.

Changes to the Strategic Plan were discussed and Sandi Gabe will update it

Motion #9 – Sandi Gabe moved that the strategic year 2 plan be accepted as revised. The motion passed.

Donna asked for a motion to go into a closed session to discuss personnel and legal issues.

Motion #10 – Jane Niemeyer moved the board go into closed session. The motion passed unanimously.

Motion #11 - Sandi Gabe moved the board go out of the closed session. The motion passed unanimously.

Donna announced the Temecula anniversary. She asked if anyone could attend the event to represent the state board. It is a dinner on the 28th of October.

Other issues:

Ex Comm (Executive Committee) travel budget for the year will be over budget. Office salary will be under budget.

The Saturday night Gala was discussed. Sharon had concerns about the timing allotted to Funds awards at the Saturday night event.

It was suggested that we have water in the meeting room.

It was suggested we start at 10:00AM on the first day of board meetings to allow for morning travel.

The meeting was adjourned at 10:32AM by Donna Mertens.

Respectfully Submitted,

Deanna Arthur, Secretary

Meeting Goals

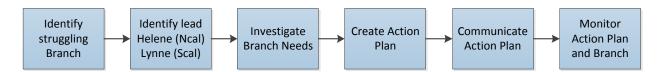

Develop an action plan for how the Leader on Loan Program can work with the Branch Support Team to address the needs of struggling branches.

Notes

We discussed many aspects of the current process and identified opportunities for improvement. They include:

- Developing an email list with representatives from Membership, Leadership Development LOL, Branch Support, and Kathleen Doty to facilitate communication around struggling branches. [We did not designate anyone to set this up]
- Designating a key contact to work with the branches in evaluating their needs, creating, executing and monitoring an action plan and communicating to the representatives on the email list. [Helene/Lynn]
- Developing criteria to evaluate and designate a branch as "struggling". [We did not designate anyone for this step]
- Leveraging Leader on Loan as one way to assist branches. The group recommended that the list of available services be updated to reflect topics such as strategic planning that better illustrate the type of assistance that is available. We agreed that Leader on Loan will work with branches on obtaining a speaker once it's been deemed helpful. [Sandi]
- Incorporating activity (appropriate for public consumption) in the branch support quarterly report. This can illustrate ways that we are available to help branches. [Helene/Lynn]

THE PROCESS

• Identifying Branches that need support

- o Branches can be identified through a variety of mechanisms.
 - Current: Representatives from the leadership teams may identify a member (Membership, Branch Liaison, Leader on Loan, Board Member), the Branch may self-identify. They may be identified when proactively reading newsletters or as the result of a survey.
 - Potential Future ways to identify branches: Reviewing the list of branches that are tardy in sending in their reports. Reviewing the Membership Report that illustrates the % of membership change to identify branches where membership is declining.
- Struggling branches are eligible for support from the state
 - There is no official list of branches that are struggling however we identified several.
 - We need a process to evaluate and designate a struggling branch.

Identify Lead

 We agreed that having one person act as a focal point for contact with the branch and facilitating communication would be advantageous (Helen: Northern California and Lynne for Southern California). They may delegate this responsibility but would be the initial main contact.

• Investigate Branch Needs

 Helene and Lynn (or designee) will coordinate gathering information about what the branch current situation is and what the branch needs. They may do this in conjunction with the branch/IBC liaisons or other sources.

• Create Action Plan

 The action plan could contain some short term actions (crisis management) to provide immediate help to the branch as well as long term actions. The specific actions may include connecting the branch to other groups such as the Membership Team, Public Policy or Leader on Loan.

• Communicate Action Plan

 We agreed that a summary of the action plan should be distributed to the email distribution list and those involved to close the loop so that everyone is clear on what the action is and who is responsible for which pieces.

• Monitor Action Plan and Branch

• Helene and Lynn (or designee) will monitor that the steps outlined are completed and redirect as needed.

Committee Name: Finance

Submitter: Pat Ferrer

Updates not included in Strategic Plan:

I have started the process to move our checking account from UBS to Chase Bank. The benefits of the move are significant: UBS banking data cannot be downloaded to QuickBooks, resulting in duplicate inputs which increases opportunity for error; we were charged an annual fee of \$150 for each checking account (Convention--which was voted to be eliminated in July and part of the policiy changes to be approved this meeting) and our regular checking account--I have asked to have both reversed but no response received to date; Chase Bank has a check scanning machine that will automatically deposit checks into our bank account (this will reduce/eliminate errors, have copies of the checks deposits available on-line (not available with UBS), this service is free if we maintain a \$50,000 balance in our checking account. Each month we do not, the fee is \$25. I believe this should not be an issue and will be revising the policies and procedures to reflect that change. I hope to have the move finalized by mid-March. (Note that I am out of the country from 2/9/2018 to 3/4/2018.)

Items for Board Discussion:

The governance portion of the discussion will include changing our investment strategy from socially responsible to that recommended by our financial advisor.

Motions

Motion 1:

• The Finance Committee proposes that the revised budget as amended from the initial submission in early December be approved as submitted.

Motion 1 Description:

 Our policies and procedures require us to evaluate our financial situation and make changes to the budget as needed. The payroll savings from the vacancy and the lower rate and fewer hours of the new employee covered all of the needed funds. The revision updates the actuals through December 31 and reflects some known changes.

Committee Name: Governance

Submitter: Sue Cochran

Updates not included in Strategic Plan:

Committee members working with branches are currently doing outreach to those branches with separate Foundations (501c3) that do not have affiliate agreements on file with National. Conversations with National indicate that National does not want branches to be encouraged to convert to a 501c3 nor to establish one, rather use those entities that are available through National and the state.

Items for Board Discussion:

There will be multiple updates presented for the Policies and Procedures separate from this report. Printed copies will be provided to all at the BOD meeting.

Outcome of the January 9-11 vote and next course of action will be discussed.

Motions

Motion 1:

• Multiple proposals for P&P's will be presented under a separate cover.

Committee Name: Leadership Development

Submitter: Cathy Foxhoven

Updates not included in Strategic Plan:

- Wrote article for January Perspective and B2B on name change of Leader on Loan (now AAUW CA Branch Resource Connection) after conducting voting from the BOD.
- Wrote article for AAUW CA Jeopardy for January Perspective.
- Wrote article on "Call for Committees" for January Perspective.
- Wrote article on "Call for Committees" and committee descriptions to be posted on website.
- Assisted in "Leader on Loan" requests because of absence of administrative assistant.
- Attended AAUW Funds Luncheon at Basque Cultural Center providing filming, table decorations, registration and sound system.
- Sent Policies & Procedures changes of Leadership Development and AAUW CA Branch Resource Connection.
- Developed template for AAUW CA Jeopardy Game for convention. Trying to recruit tech help for workshop.
- Called branch presidents for "Mutual vs. Public" vote.
- Continued development of Convention Leadership brunch with Jane and selected logo.
- Working on changing "job-alike" name only two submittals to date.
- Selected 2018-2019 dates for retreat, leadership weekend and BOD meetings with Jane.
- Attempting to connect with 50/50.org' leader Mackenzie Darling.
- Continue reading branch newsletters and sending outstanding MBP's to programs.

Items for Board Discussion:

Review dates for 2018-2019 retreat, leadership weekend & BOD meetings.

Motions

Committee Name: Membership

Submitter: Deanna Arthur

Updates not included in Strategic Plan:

- Diversity has nearly completed the survey and will be giving a workshop at convention in April
- YWTF has not made much progress this quarter but hope with National office support significant inroads will be made next quarter
- Membership has continued to make contact with branches. This is a slow process with not enough committee members.
- Membership has received information which needs to be distributed to the branches regarding the dues increase.
- Initial contact has been made with National regarding an associate membership for the Tech Trek Alumnae.
- Communications would like a conference call regarding the addition of State Membership to the Give a Grad National membership.

Items for Board Discussion:

None submitted.

Motions

Committee Name: Program

Submitter: Jane Niemeier

Updates not included in Strategic Plan:

One of the plenaries that will be presented at the state convention is about the Women Peacebuilders at the University of San Diego. I have met with the presenter once and attended two Peacebuilding activities on campus as part of the preparation for the plenary.

I have written several articles for the Perspective about the convention workshops and plenaries. Cathy Foxhoven and Susan Negrete have been a great help in getting information to me about the Diversity Plenary. Cathy and I are still working on the short film and discussion that we are having after the Public Policy Plenary on Friday.

Items for Board Discussion:

Should we try to continue the AAUW CA Book Club? Many board members joined, but only Donna Mertens and Sandy Kirkpatrick have participated. Just simply joining the book club doesn't help. Those who join should participate or the discussion dies.

Motions

Committee Name: Project Oversight Committee

Submitter: Dianne Owens

Updates not included in Strategic Plan:

- The Project Oversight Committee met several times in October, November and December via conference call to update and completely revamp the Tech Trek Policies and Procedures. Linda Stinebaugh, Tech Trek Coordinator, Harriet Tower, outgoing Financial Liaison and Kaye Kidwell, incoming Financial Liaison joined us on the calls and made major contributions to our work. Donna Mertens, AAUW CA President, also participated on the calls and contributed to our work.
- The committee recommended to the Governance Committee that the name be changed to Project Oversight Committee, as Tech Trek is now a national project, not a state project.
- The application for new state projects was updated and posted on the CA website along with an article explaining the process. Deadline for submission for new project money is March 1, 2018. An article was also published in the January 2018 Board 2 Board and will be in the February Perspective.

Items for Board Discussion:

The CA Tech Trek preliminary budgets.

Motions

Motion 1:

The Project Oversight Committee proposes the approval of the 2018 Tech Trek Camps' preliminary budgets.

Motion 1 Description:

 Approval will allow the camp treasurers to update and make final changes before the April 2018 Board meeting's final approval.

Tech Trek Report for January Board Meeting

The 2017 camp year was a huge success. The Whittier and Irvine camps received an Arconic Grant from National to host an Aeronautical Engineering core class. The class was developed by our very own Beverly Hill, who is a former rocket scientist, and who regularly teaches Engineering at the Whittier and UCSB camps. The class was also presented at the two UCSB camps, although they did not receive any grant money to do so.

The camps ran very smoothly. We sent 918 young ladies to camp in California with no major incidents this year. There were, however, some challenges. One of the UCSB camps had a non-custodial parent show up at camp due to the custodial parent posting something on Facebook with details about the daughter being at camp. The Camp Director was notified by the front desk and immediately locked down all campers until the parent could be escorted off the campus. This underscores the dangers of posting items on social media. Even though this was not done by a member of the camp staff, it still created an incident that affected the security of the girls.

The camp size ranged from 78 - 80 at the UCSB camps, to 118 at the Irvine camp, with about 20 branches participating in the selection process for each. Core classes included Math (discreet, 3-D), Coding, Engineering (structural and electrical), Anatomy, Marine Biology, Neuroscience, Rocketry, Robotics, Forensics, Cyber Security, Chemistry, and Physics

We will have new Co-Directors at our Irvine camp in 2018 (Jasmin Mendoza and Amanda Nguyen), and there will be Camp Directors-in-Training at UCSD and Stanford Hopper this year, as we are actively working on succession planning. The longer we can keep track of our former campers and keep them involved in Tech Trek, the greater chance we have of them eventually taking over the camps.

We have purchased 12 new laptops for the Southern California camps with Arconic funds, secured by the Torrance Branch, to replace the failing refurbished laptops donated in 2013 by Intuit.

Camp costs continue to rise each year. Camper fees now range from \$900 to \$1,000 depending on the camp. The different costs are directly related to how much each campus charges for using their facilities. While some Universities are more accommodating to our program, there are a few that don't take into account the positive publicity our program provides for their campus.

We are actively working on plans for the 20th Anniversary Celebration of Tech Trek at the 2018 AAUW California State Convention in April. Tech Trek Alumni Groups are being encouraged to involve their girls in this process.

Respectfully submitted.

Linda Stinebaugh State Project Coordinator, AAUW California Tech Trek
