INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors of American Association of University Women of the State of California, Inc. Sacramento, CA

We have reviewed the accompanying financial statements of the American Association of University Women of California (a nonprofit organization), which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services issued by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our reviews we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

nitusche associates, Mrc.

NOTE 1 - NATURE OF THE ORGANIZATION

American Association of University Women of the State of California, Inc. (AAUW-CA, we, us, our) is a nonprofit corporation organized under the law of the State of California. The purpose of AAUW is to advance gender equity for women and girls through research, education, and advocacy. AAUW-CA facilitates California branches in meeting the vision and mission of AAUW by providing programs, education, and resources. We are supported primarily through membership dues and conference and convention registration fees.

Our Membership Development and Services program includes developing publications, administering insurance, and assisting branches with membership and our organization's mission.

Our Convention brings women together to talk about common issues and develop action agendas to make a difference for women in society.

Our Public Policy program supports an advocate to monitor and report on the activities of the State legislature and to represent our position on policy development whenever appropriate.

State Projects are developed at the state level as the need arises and benefit the whole group. These include events to benefit the AAUW Fund which is a separate entity at American Association of University Women, Washington, D.C.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets without Donor Restrictions – Net assets available for use in general operations and not subject to donor-imposed restrictions.

Net Assets with Donor Restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. There were no donor restricted net assets as of June 30, 2020 or June 30, 2019.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Cash and Equivalents

Cash and equivalents consist of cash on hand and highly liquid investments with original or remaining maturities of three months or less at the time of purchase.

Accounts Receivable

Accounts receivable are stated at unpaid balances and are considered collectible in full; accordingly, no allowance for doubtful accounts has been established. Receivables are determined to be past due based on contractual terms. Balances are charged off after management has exhausted collection efforts.

Investments

Investments are stated at fair value. Investment income is reported net of related investment expenses. Realized and unrealized gains and losses, in total, are included in net investment return reported on the statements of activities.

Fixed Assets

Acquisitions of fixed assets in excess of \$1,000 are capitalized and stated at cost. Donated fixed assets are reported at fair value at the date of the gift. Depreciation is calculated on the straight-line method over the estimated useful lives of the assets.

Revenue Recognition

Membership dues are recognized over the membership period. Dues collected in advance are reported as deferred until earned. Convention and meeting revenue is recognized when the events are held.

Functional Expenses

The costs of providing our program services and supporting services have been summarized on a functional basis on the statements of activities and statements of functional expenses. Indirect costs are allocated among programs and supporting services based on personnel, space and other factors.

Donated Services

We receive donated services from a variety of unpaid volunteers assisting in fundraising activities and program services. The value of this donated time is not reflected in the accompanying financial statements since it does not meet the criteria for recognition as a contribution.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Taxes

We are exempt from income taxes under Internal Revenue Code (IRC) Section 501(c)(4) and related California code sections. However, we are subject to income taxes from activities unrelated to our tax-exempt purpose.

We have processes presently in place to ensure maintenance of our tax-exempt statuses; to identify and report unrelated business income; to determine our filing and tax obligations for which we have nexus; and to identify and evaluate other matters that may be considered tax positions. We have evaluated the tax positions and related income tax contingencies and do not believe that any material uncertain tax positions exist that require recognition or disclosure in the financial statements.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates under different assumptions or conditions.

Financial Instruments and Credit Risk

We manage deposit concentration risk by placing cash and money market accounts with financial institutions believed by us to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, we have not experienced losses in any of these accounts. Credit risk associated with accounts receivable and promises to give is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from individuals and members supportive of our mission. Investments are made by diversified investment managers whose performance is monitored by our management and Board of Directors. Although the fair values of investments are subject to fluctuation on a year-to-year basis, management and the board believes that the current investment policies and guidelines are prudent for the long-term welfare of our organization.

NOTE 3 – LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditures, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following as of June 30, 2020:

Cash and equivalents Accounts receivable	\$	151,683 4,175
Financial assets available to meet cash needs for general expenditures within one year	<u>\$</u>	155,858

Although we do not intend to spend from our board-designated funds of \$359,637 (other than amounts appropriated for general expenditure as part of our annual budget approval and appropriation), these amounts could be made available if necessary.

We maintain a liquid cash balance in checking and money market accounts in an amount necessary to meet our anticipated expenditures for at least the next six months. Cash in excess of this may be invested in short-term investments.

NOTE 4 – FIXED ASSETS

Fixed assets consisted of the following as of June 30:

	<u>2020</u>			<u>2019</u>		
Furniture and equipment Less: accumulated depreciation	\$	4,158 (4,158)	\$	4,158 (4,158)		
Total fixed assets, net	<u>\$</u>		<u>\$</u>			

Depreciation expense was \$0 and \$0 for the years ended June 30, 2020 and 2019, respectively.

NOTE 5 – INVESTMENTS

In accordance with generally accepted accounting principles, we use the following prioritized input levels to measure fair value. The input levels used for valuing instruments are not necessarily an indication of risk.

- Level 1 Observable inputs that reflect quoted prices for identical assets or liabilities in active markets such as stock quotes;
- Level 2 Includes inputs other than Level 1 inputs that are directly or indirectly observable in the marketplace such as yield curves or other market data;
- Level 3 Unobservable inputs which reflect the reporting entity's assessment of the assumptions that market participants would use in pricing the asset or liability including assumptions about risk, such as bid/ask spreads and liquidity discounts.

Investments are reported at fair value and consisted of the following as of June 30, 2020 and 2019:

JUNE 30, 2020	Total		Level 1		Level 2		Level 3	
Fixed income funds	\$	194,891	\$	194,891	\$		\$	
Stock funds		156,548		156,548				
Investments carried at fair value		351,439	<u>\$</u>	351,439	<u>\$</u>		<u>\$</u>	
Money market funds*		8,198						
Total investments	<u>\$</u>	359,637						

JUNE 30, 2019	Total		Level 1		Level 2		Level 3	
Fixed income funds	\$	189,116	\$	189,116	\$		\$	
Stock funds		148,631		148,631				
Investments carried at fair value		337,747	\$	337,747	<u>\$</u>		<u>\$</u>	
Money market funds*		9,931						
Total investments	<u>\$</u>	347,678						

* Money market funds included in the investment portfolio are not subject to provisions of fair value measurements as they do not meet the FASB definition of a security.

NOTE 5 – INVESTMENTS (continued)

Investment return consisted of the following for the years ended June 30:

	<u>2020</u>			<u>2019</u>		
Interest and dividend income	\$	9,529	\$	9,407		
Realized and unrealized gain/(loss)		6,133		13,064		
		15,662		22,471		
Less: investment expenses		(3,824)		(3,659)		
Net investment return	\$	11,838	\$	18,812		

NOTE 6 – FUNCTIONALIZED EXPENSES

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. Those expenses allocated on the basis of estimated time and efforts include: salaries and wages, payroll taxes, rent, communications, and other office-related expenses. Certain professional fees are allocated based on the functional nature of the contract work being performed.

NOTE 7 – COMMITMENTS

We lease office space under an operating lease which expires in January 2022. Future minimum rental payments required under the above operating lease for the years ended June 30 are as follows:

2021 2022	\$ 8,846 <u>5,216</u>
Total future minimum rental payments	\$ 14,062

Office rental expenses for the years ended June 30, 2020 and 2019 were \$8,073 and \$8,406, respectively.

NOTE 8 - RELATED ENTITIES

AAUW-CA has 122 local branches and has no ownership or voting interest in these local branches. We provide insurance, leadership development, and technical and fundraising assistance to the local branches and, in return, receive \$20 for each regular member plus an insurance assessment. We receive lesser amounts from student and honorary life members.

We act as a fiscal agent for the national AAUW Tech Trek program (Tech Trek) in California. We received funds and remitted payments for Tech Trek in the amounts of \$3,155 and \$33,019 for the years ended June 30, 2020 and 2019, respectively. Amounts due from Tech Trek were \$3,801 and \$0 as of June 30, 2020 and 2019, respectively.

NOTE 9 – SUBSEQUENT EVENTS

As a result of the spread of the COVID-19 coronavirus (pandemic), economic uncertainties have occurred that are likely to negatively impact our revenue from program service activities. However, the related financial impact and duration of the pandemic cannot be reasonably estimated at this time.

We have reviewed the results of operations from our year end, June 30, 2020, through September 24, 2020, the date the financial statements were available to be issued, and have determined that no adjustments are necessary to the amounts reported in the accompanying financial statements nor have any other subsequent events occurred, the nature of which would require disclosure.
