About AAUW California

AAUW California Mission:

AAUW California facilitates California branches in meeting the vision and mission of AAUW by providing programs, education, and resources.

Organized	Incorporated	Branches	Members
1921	1956	123	11,559

The American Association of University Women (AAUW), founded in 1881, is the nation's leading organization advocating equity for women and girls. Our national membership of 170,000 members and supporters seek to advance gender equity for women and girls through advocacy, education and research. People of every race, creed, age, gender, sexual orientation, national origin, and level of physical ability are invited to join.

AAUW California began when the San Francisco branch was established in 1884. By 1921, with thirteen active branches in the state, branch leaders saw a need for a statewide organization. The constitution for AAUW California was approved in October 1921.

The American Association of University Women (AAUW) advances equity for women and girls through advocacy, education and research. In principle and in practice, AAUW values and seeks a diverse membership. There shall be no barrier to full participation in this organization on the basis of gender, race, creed, age, sexual orientation, national origin, disability, or class.

SPF is a 501(c)3 tax-exempt corporation that supports AAUW California projects and AAUW California branch projects and local scholarship programs. It is an independent corporation, separate from AAUW California. It serves as a fiduciary agent and pass-through fund, enabling projects to collect tax-deductible donations from individuals and corporations, and from grants and endowments, without having to establish themselves as a separate non-profit entity.

More information, a listing of current directors, and additional contact information, can be found on the AAUW Special Projects Fund website at: <https://specialprojectsfund-ca.aauw.net/>
