MERGEFIELD "ADDRESS" **200 Carol Court**
MERGEFIELD "CITYSTATEZIPCODE" Alamo, CA 94507-2862
June 30, 2021

Dear MERGEFIELD "NAME" **Christine Ritter**,

The AAUW California Board of Directors would like to congratulate you and your branch members for achieving MERGEFIELD "STARS" 3 stars: during the July 2019-June 2021 5-star program years. We recognize the hard work and focus it took for you to achieve this accomplishment.

Working together to obtain those stars not only helped your newest members learn more about AAUW's goal of "Equity for All," but reminded your continuing members that the fight for equity is far from over. The programming you did to support AAUW's strategic plan was vital and via Zoom **engaged [could engage]** a wider audience and speakers from afar. You accomplished creative fund raising to support **[the?]** AAUW Fund and increased membership in our Legacy Circle. We applaud your efforts to get to know your state and federal legislators while educating them on our Public Policy priorities.

There will be a new 5-star program beginning July 1, 2021, and we encourage you to continue **striving [reaching]** for the stars! You have a lot of experience now and we know you can do it again! Best wishes!
Be bold, brave, and brilliant!

Dianne Owens, President
