Instructions to find your local college or university:

To Access the list of CU institutions on www.aauw.org, here are three ways:

1. You can use this link [CollegeUniversityDirectory - AAUW](#) Then follow instructions in #2.
2. To find that link, select **Membership**, then **College University Member**, then **Join Renew**. Enter country and state. There will be 5 pages of institutions in California listed alphabetically. Find the college and then select **Details**. You will see when the membership fee is due and the representatives that National has listed.
3. Another way to find the college/university is to log in, and on lower left look for ***"Branches: College and University Directory Contacts."***
