

## Harnessing AI for Education and Mental Health;

Advancing SDG 3 (Good Health & Well-Being) and SDG 4 (Quality Education)

### FEATURED SPEAKER: DR. MARINA A. BADILLO-DIAZ

A two-hour virtual webinar on the future of generative AI and its impact on education and mental health. Learn how AI works, explore trends, see live demos, and discuss benefits, concerns, and ethics. Attendees will gain resources and insight into how AI is shaping our future.

Dr. Marina A. Badillo-Diaz is an adjunct Professor at NYU, Columbia University, Hunter College, and LSU. Founder of MABD Consulting and author of The AI Social Worker blog, she is a national leader in training educators and social workers to integrate AI ethically into mental health and education, having trained 3,500+ professionals across the U.S. and Canada.

### VIRTUAL WEBINAR

**DATE & TIME: SUNDAY, SEP. 14, 2025**  
**2:00 – 4:00 PM (PACIFIC TIME)**

[ZOOM LINK PLEASE CLICK HERE](#)

### ABOUT UNAUSA

The United Nations Association of the USA (UNA-USA) unites over 20,000 members and 200+ chapters nationwide to support the UN's mission. With 60% under age 26, we are a movement of Americans committed to global engagement and advancing the Sustainable Development Goals.

### ABOUT AAUW

The American Association of University Women (AAUW) has championed gender equity through education, advocacy, and community since 1881, empowering women and improving the lives of millions nationwide.
